

UIA48 Call for Papers/Posters

Here's your opportunity to share your latest research and applications with the ultrasonic community. We welcome traditional presentations (25 minutes in length) and posters. On Tuesday, we feature workshops on ultrasonic principles. Here are the instructions for our online [Paper Submission Process](#).

On the Abstract Submission Home Page, you first need to set up your profile (1) before submitting your abstract (2)

The UIA invites abstract submissions for posters for the 48th Annual UIA Symposium, 15 - 17 April 2019, in Toronto, Ontario, Canada. This is an opportunity to showcase your research results to academic and industry delegates in any area of medical or industrial ultrasonics. We would be delighted to receive poster abstracts from graduate students to bring a strong 'local research' flavor to the UIA Symposium. You can submit your abstract here. We look forward to seeing you in Toronto. We welcome your submission for UIA48. You may submit for one or more of the following:

- Industrial Session
- Medical Session
- Workshop Session
- Poster

If you are selected to present a paper, you will have no longer than 25 minutes to do so. We allocate up to 60 minutes for a workshop session. Posters will be displayed on Tuesday with an opportunity to discuss with interested individuals
